Location: Atlanta, GA

Based in Atlanta, THW Design is a multi-disciplinary firm with over 50 professionals, encompassing Architectural, Interior Design, and Land Planning studios. By seamlessly integrating these studios, the firm delivers award-winning projects with a focus on consistent and meaningful design. Recognized as one of the top senior living design firms in the nation, as well as expertise in Airport Lounge Development & Design, THW Design brings a distinctive emphasis on hospitality and community-based approaches.

Within THW Design, you'll encounter a diverse and collaborative group of professionals who collectively share a deep compassion for the individuals residing and working in the communities we design.

Full Time Position Scope & Responsibilities:

THW is seeking a Staff Level Professional to be part of a Studio team working on projects through the standard phases of Architectural design and documentation.

The successful candidate will execute tasks under the guidance of a PA, PM, and/or Senior Designer, demonstrating a level of autonomy in design responsibilities. Candidate supports in researching project-specific codes and assessing building materials, systems, and construction methods, while also coordinating with other disciplines.

Qualifications:

- Minimum of bachelor's degree from an accredited professional degree program.
- 2-6 years of experience in a professional office.
- Strong understanding of utilizing Revit to produce construction documentation, and familiarity with all phases of a project's development.
- Senior living, hospitality, multi-family, residential housing and mix use experience a plus.
- Good work ethic, strong team-working skills, willingness to learn.
